

AFRICA MISSIONS

STEWART FAMILY
SEPTEMBER 2026

Greetings in the mighty name of Jesus. Just after performing another miraculous sign, onlookers made a profound observation: "He hath done all things well." We have found that to be so very accurate about our God.

Easter is typically a high-water mark for churches in Africa. In April, we were blessed to have Elder Jones and his family here for an Easter Crusade. It was by far our largest gathering in the new headquarters church, with over 200 in attendance. So much so, we needed to put out additional chairs.

After a conference earlier this year in southeast South Africa, another group from the southwest made contact with us to host a meeting there. Elder Riggen and Bro Matt Sissel came in August to take the Thy Word is Truth conference to this new area. We're trusting God to establish a strong Apostolic presence in this new area.

Lastly, we had two mission projects for 2026 that were announced earlier this year. God's people generously supplied both of those needs. We have a new well and filtration system that provides wonderful drinking water. Also, Hayden and Makalya have their own vehicle. Thank you again for your kindness toward the work in Africa and the entire Stewart family.

The Harvest is plenteous!!! God, send laborers.
God Bless,
The Stewart Family
